- English (Written and spoken)– fluent
- Dzongkha (Written and spoken) – fluent
- Nepali (Spoken) –

SELISE, Thimphu — *Internship*

01/2020 - 02/2020

Interned as a Front-end Developer at SELISE Bhutan, gaining insights and skills from top developers and contributing to diverse projects during my vacation.

Technologies: Angular, REST Api, NgRx, Observable and TypeScript.

Dragon Coder, Thimphu — *Internship*

12/2019 - 01/2020

At Dragon Coder, enhanced Front-end/UI skills through hands-on experience in API binding and bug fixes. The supportive environment provided valuable tools and confidence for career advancement.

Technologies: Angular, REST Api and TypeScript, Json-server

Bhutan Data Scientist, Thimphu — *Internship*

05/2019 - 06/2019

Second internship at Bhutan Data Scientist: front-end development with Angular, backend debugging using Spring Boot. Contributed to project success, gained valuable software development experience.

Technologies: Angular, REST Api, Spring Boot and TypeScript

Bhutan Data Scientist, Thimphu — *Internship*

12/2018 - 02/2019

Internship involved resolving front-end issues, collaborating on UI design, and gaining valuable technical skills in a professional environment. Provided a solid foundation for a future career in software development.
Technologies: Angular, REST Api and TypeScript.

EDUCATION

SHERUBTSE, Kanglung — *Degree*

06/2017 - 2020

Joined Sherubtse after that I opted to join a software company to pursue my interest and start working in the field.
